— THE INVITATION

SOMETHING YOU SHAPE, NOT SOMETHING YOU'RE SOLD.

You have been to the packaged weddings. The set menus, the four hour slot, the venue that hands you a rulebook. Stone Circle Vineyard is the opposite of that. Twenty-five acres of Kent, yours for the weekend, with a real stone circle to make it official. You bring the people and the plan. We hold the space.

— WHY IT'S DIFFERENT

01

LICENSED, IN THE STONES.

Say your vows in the open air inside the only stone circle wedding venue in a working Kent vineyard. Civil ceremonies, fully legal.

03

YOURS TO SHAPE.

Bring your own caterers, your own florists, your own ideas. We hold the space. You design the day.

02

WEEKEND, SINGLE DAY PRICE.

Friday afternoon set-up through to Sunday lunchtime. The whole site, the whole time, included.

04

SLEEP WHERE YOU CELEBRATE.

On-site accommodation for the wedding party, so no one drives home in the dark.

— THE SETTING

25 ACRES OF KENT, HIRED EXCLUSIVELY FOR YOU.

Stone Circle Vineyard is a 25 acre working vineyard wedding venue in Kent, a short drive from Maidstone. The whole site is yours on an exclusive use basis, with a licensed stone circle for outdoor ceremonies at its centre.

The stones are a modern installation, built as a contemporary ceremonial centrepiece rather than a relic. Set back within the wider New Shelve Farm estate, the vineyard sits apart from any road or boundary neighbour. Only the rhythm of the rows through the seasons.

A slow start with the wedding party who stayed over. Coffee, the morning after, the rows in the light.

— FROM THE VINEYARD

A FIRST LOOK, AHEAD OF THE FIRST WEDDINGS.

Styled shoots. Real weddings will replace them through the 2027 season.

THE QUESTIONS COUPLES ASK FIRST.

HOW MANY GUESTS CAN YOU HOLD?

The 25 acres comfortably hold up to 150 guests, and are just as at home with a smaller wedding of 60.

DO YOU HAVE ACCOMMODATION ON SITE?

Yes. The Oast sleeps the wedding party, with The Manor Pen alongside taking the total to six. Breakfast in the vines included.

WHEN ARE YOU AVAILABLE FOR 2027?

We are now taking bookings for the 2027 season. The earliest enquiries get the most choice of dates.

ARE DOGS ALLOWED AT THE CEREMONY?

Well-behaved dogs are welcome in the open air, including inside the circle for the ceremony itself.

CAN WE LEGALLY MARRY IN THE STONES?

Yes. The stone circle is a licensed outdoor ceremony location, so your civil ceremony inside the stones is fully legal.

CAN WE BRING OUR OWN CATERER?

Yes. This is a dry hire venue, so you bring your own caterers, drinks and florists. No set menus, no corkage.

HOW FAR IS IT FROM LONDON?

Near Maidstone in Kent, roughly an hour from London by car or train. Set apart, but easy to reach.

IS IT FULL WEEKEND HIRE?

Weekend hire is the only way we let the venue: Friday afternoon to Sunday lunchtime, one price.
